Product Description

Package White Box Dimmable LED Light Bulbs ABS PC Luminous Flux 500lm

Product Description:

Dimmable LED Light Bulbs are the perfect choice for home and office lighting. With a luminous flux of 500lm, it provides a bright and comfortable ambience. The type of LED used is dimmable, so you can adjust the lighting to suit your needs. Made of ABS and PC material, it is 2.3"x4.3" in size and comes with a 2-year warranty. With its dimming function, you can easily adjust the brightness of the light and create the perfect atmosphere for your space. Our Dimmable LED Light Bulbs offer the ultimate flexibility to customize the lighting in your space, while still providing a bright and comfortable environment. Whether you need a bright light to get work done, or a soft, dimmable light to relax, our Dimmable LED Light Bulbs are the perfect choice.
